New Naming Opportunities are now available for our new Completion Campaign projects and are available to honor or memorialize individuals, families, extended families, church organizations, businesses, alumni or current classes. Please prayerfully consider what items you would like to sponsor and they will be confirmed by the Campaign Office on a first-come, first-served basis. Contact the Campaign office if you have a current gift on file that you would like to add on to, to qualify for a Naming Opportunity. Additional Naming Opportunities may become available as construction and planning proceed. We are open to suggestions and will work with donors to make sure that these Naming Opportunities are memorialized. The amounts shown do not represent the actual cost of the item or construction.
